Official corporate architecture unifying multidisciplinary capabilities under strict governance.

About SAMI BIN AYYAD GROUP (SBA)

Unified Holding Structure · Est. 2023

An integrated industrial, engineering, sustainability, and international trading group headquartered in Cairo, Egypt.

SAMI BIN AYYAD GROUP operates across four strategic pillars: Contracting & Real Estate Development, Environment & Sustainability (ENVIROTAQA), Apparel Manufacturing & Fashion Development, and Natural & Agri-Food Products. We focus on disciplined execution, institutional transparency, and verifiable supply capacity.

Corporate Attribution Notice: The unified corporate group was formally established in 2023, consolidating deep executive and foundational contracting experience dating back to 1977 alongside commercial real estate advisory portfolios active since 2018 under a single accountable governance umbrella.

- **Data Governance & Registry Compliance:** All published group metrics strictly reflect verified records in the SBA Corporate Data Registry, distinguishing direct group execution from partner capacity and executive track records.

Core Business Divisions (Part 1)

Infrastructure, Real Estate & Sustainable Environmental Solutions

Technical capabilities aligned with the live group service directory.

Division I: Contracting & Real Estate Development

57+ Documented Projects

Turnkey civil contracting, MEP engineering, healthcare fit-out, and commercial real estate advisory.

Delivering integrated construction and building upgrades across medical towers, residential developments, commercial plazas, industrial hubs, and specialized oil & gas civil works compliant with Egyptian engineering codes.

Backed by a documented 2013–2024 contracting turnover exceeding EGP 540M and an executive real estate advisory portfolio spanning 400+ developments and 200+ developer partnerships (since 2018).

- General Contracting (EPC) & Reinforced Concrete Civil Structures
- Electromechanical Systems (MEP): Central HVAC, Fire Suppression & Power Networks
- Specialized Healthcare Installations: Surgical Wings, Medical Gas & Imaging Suites
- Oil & Gas Civil Infrastructure, Pipeline Containment & Asset Advisory

Division II: Environment & Sustainability (ENVIROTAQA)

RENERGON Swiss Alliance

Integrated environmental solutions that turn operational challenges into sustainable opportunities.

Covering 19 specialized scientific and consulting services across 6 categories, operating in formal technological partnership with RENERGON International AG (Switzerland) utilizing patented RSD dry anaerobic digestion to convert organic waste into biogas, clean power, and biochar.

Transparent Delivery Disclosure: Environmental assessments (EIA/ESIA), GHG Scopes 1–3 carbon audits, and CBAM advisory are executed in-house, while utility-scale EPC plants are delivered through accredited technical consortia.

- Environmental Impact Studies (EIA/ESIA) & Legislative Compliance (Law 4/1994 & 202/2020)
- Waste-to-Energy (WtE), Biogas Plants (RENERGON RSD) & C&I Rooftop Solar PV
- Carbon Footprinting, EU CBAM Export Readiness & ESG / GRI Advisory
- Proprietary Bio-Reagents: ET-POT-01 (Oil Terminator) & ET-POR-01 (Odor Neutralizer)

Core Business Divisions (Part 2)

Industrial Apparel Manufacturing & Natural Agri-Food Export

Export-ready production scale serving MENA, GCC, Europe, Africa, and Asia.

Division III: Apparel Manufacturing & Fashion Development

20 Export Markets · 150+ Partner Network

Contract manufacturing, agile sourcing, and full-package export programs from pattern to port.

Operating 15+ modern production lines and 250+ machines delivering 5,000+ pieces daily (100,000–150,000 pcs/month core scale, expanding to 600,000 pcs/month through our accredited partner manufacturing ecosystem), supported by a library of +2,700 developed garment styles.

Includes a dedicated Classic Shirt Facility operating 100 specialized machines producing 45,000 certified formal dress shirts monthly under 8-stage AQL 2.5/4.0 inspection.

- OEM, ODM, Private Label, CM/CMT & Full-Package FOB Export Delivery
- 11 Verified Collections: Classic Shirts, Women, Men, Kids, Sportswear & Modestwear
- Dedicated Product Development, CAD/CAM Grading & 5–7 Day Rapid Prototyping

Division IV: Natural Products & Agri-Food Division

84 Documented Markets · 738 Inquiries

From Nature's Finest to Global Markets — certified Egyptian origins with full batch traceability.

Sourcing, optical sorting, cold storage, and export packaging across 7 core categories serving international importers across 84 documented markets backed by 738 verified commercial purchase inquiries (2023–2026).

- Siwi & Jumbo Medjool Dates, Cold-Pressed Extra Virgin Olive Oil & Table Olives
- Pure Wild Sidr & Blossom Honey, Medicinal Herbs, Spices & Natural Powdered Juices
- NFSA-Licensed Processing Hubs compliant with ISO 22000, HACCP, COA & Halal Standards
